

Manufacturing Engineering Instructions as of 09/25/02

INDEX

* *New or revised this edition.*

** *MEI exists as combination of text and associated graphics*

*** *MEI exists entirely as graphics*

[MEI 1**](#)

Inserts, Chip Breakers and Shim Plate Instructions

[MEI 2](#)

Mechanical Tool Holder Clamping (Refer to [MEI 2A](#) for new applications)

[MEI 2A](#)

Reference for Details of Mechanical Tool Holder Designs

[MEI 3](#)

Interpretation of Notes Common to Pratt & Whitney Tool Drawings

[MEI 4*](#)

Marking of T, TAM and CM Numbered Multiple Point Tools

[MEI 5](#)

Marking Plain Cylindrical Plug Gages

[MEI 6](#)

Marking of Carbide Burs and HSS Rotary Files

[MEI 7](#)

Marking and Packaging of Diamond Tools and Related Details

[MEI 8](#)

Inspection and Rejection of Diamond Tools

[MEI 9](#)

Stock Allowances for Preformed Carbide Tips

[MEI 10](#)

Marking of Thread Gages

[MEI 11](#)

Thread Gage Design Elements

[MEI 12](#)

The International Inch and Pound

[MEI 13](#)

Marking, Packaging, Cleaning, and Chippage Specifications for Single Point Tipped Tools

and Mechanical Tool Holders

[MEI 14***](#)

Grinding Clearances for Milled & Brazed Single Point Tools (unless otherwise specified)

[MEI 16](#)

Marking and Packaging of Brazing Material (Preformed Rings & Stampings)

[MEI 18](#)

Boxes (containers) for Fragile or Delicate Tools

[MEI 19](#)

Inspection and Rejection of Small Diameter Piercing Punches

[MEI 22***](#)

Reclaiming "Throw-Away" Inserts

.625 I.C. Pos. Rake 80 Degree Diamond "Throw-Away" Inserts--Type 1205-0036 Style 1

[MEI 23***](#)

Reclaiming "Throw-Away" Inserts

.625 I.C. Pos. Rake 80 Degree Diamond "Throw-Away" Inserts--Type 1205-0036

Style 2

[MEI 25***](#)

Reclaiming "Throw-Away" Inserts

.500 I.C. 50 Degree Diamond "Throw Away" Inserts--Type 1205-0049 Style A

[MEI 26***](#)

Reclaiming "Throw-Away" Inserts

.500 I.C. 50 Degree Diamond "Throw Away" Inserts--Type 1205-0049 Style B

[MEI 27***](#)

Reclaiming "Throw-Away" Inserts

.500 I.C. 50 Degree Diamond "Throw Away" Inserts--Type 1205-0049 Style C

[MEI 28***](#)

Inspection Allowances for Reclaiming "Throw-Away" Inserts

[MEI 29](#)

Inserted Blade (flat style) Milling Cutters

[MEI 31](#)

Detail Information for Approved Source "V" Bottom "Throw-Away" Insert (Manchester, Kennmetal and United Engineering). For servicing use only.

[MEI 32](#)

Regrinding "V" Bottom Inserts

[MEI 33](#)

Inspection of ECM Small Hole Cathode Assemblies

[MEI 34](#)

Details for Mechanical Boring Bars

[MEI 35](#)

Cubic Boron Nitride Instructions

[MEI 37](#)

Milling Cutters, "Throw-Away" Insert Style

[MEI 42](#)

Marking and Packaging of Ceramic Inserts

[MEI 43*](#) Marking and Packaging of Broach Inserts

Initial Issue: 12/13/95

Revised Issue: 09/25/02
