

Pratt & Whitney
A United Technologies Company

ALL VENDORS, EFFECTIVE IMMEDIATELY

1

When supplying a tool that contains purchased parts or assemblies; i.e.: gauges, hydraulic pumps or cylinders, or indicators. If instructions for their use, inspection reports, certs, or any other text is included with the purchased item, this information is to be included with the tool when it is delivered to Pratt & Whitney.

This is in response to customer requests.

2

When a blueprint requirement is included that requires the “Manufacturer’s name and address” to be marked on tool, the following Will be marked on tool;

	Pratt & Whitney
	Tool Support Services
(Address when room permits)	East Hartford, CT

(Character size per blue print specs.)

Thank you for your cooperation.
